Sale Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale. But defaulters to the department will not be allowed to bid at the sale.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent and in the latter case to produce a written authority signed by the principal.

3. The sale will be held separately for each forest. The purchaser has to offer only rates for the different kinds of timber. These rates will be applicable to the timber to be eventually prepared in the forest.

4. The period of the contract is up to the end of June 1926 and the same will commence from the date of executing the bond.

5. All sales of which the amount exceeds Rs. 500 in each case is subject to the confirmation by the Conservator of Forests and in other cases to that of the District Forest Officer.

6. Within a week from the date of intimation regarding the confirmation of the sale, the purchaser should execute a mutchalika on a stamped paper of proper value, binding himself to the conditions herein noted as any additional ones that may be considered necessary.

7. The purchasers should furnish the Range Officers concerned with a list of agents and workmen who will be employed by him in the forests in the extraction of timber.

8. The purchaser should start on the work of collection and extraction of timber immediately after executing the muchalika.

9. At the end of each month, the purchaser should send up a list of timber prepared by him, so that the same may be numbered, measured and also sold-stamped after recovery of the full value thereof according to the rates offered therefor and issuing a license in the form prescribed.

10. All the quantities licensed for should be removed from the forests within a month from the date of issue of the license but no timber should be left in the forest uncarted at the end of the contract period.

11. For purposes of preparing timber, the purchaser should take his own workmen and he should not, without the permission of the Range Officer concerned which will only be granted when there are no departmental works interfere with the workmen of the department.

12. The purchaser should hold himself responsible for all wrongful actions in the forests either by himself or by his agents or other workmen and he should take all precautions not to halt or cook in places except those specially set apart for the purpose. The purchaser should take every precaution to see that while felling dry timber, the surrounding ones are not damaged.

13. The purchaser should, during the course of the contract period, bind himself responsible for all the departmental rules as regards the kindling of fires that may break out accidentally and to render such help as may be required by the forest subordinates in extinguishing the forest fires and the detection of forest offences, etc.

14. The purchaser or his workmen should not enter into the State Forest either before sunrise or after sunset.

15. The timber of the purchaser that may be left in the forest unremoved after the expiry of the contract period will be liable to be forfeited to Government and the purchaser or contractor will have no claim thereafter.

16. The breach of any of the aforesaid conditions will result in the immediate cancellation of the contract and the forfeiture of the deposit money as also the timber that may have been left in the forests unremoved at the discretion of the Conservator of Forests or the District Forest Officer as the case may be.

Notification dated 24th September 1925.

Sale Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale. But defaulters to the department will not be allowed to bid at the sale.

2. Any person bidding at the sale may be required by the Officer conducting the sale to state whether he is bidding on his own behalf or as an agent and in the latter case to produce a written authority signed by the principal.

3. The sale will be held either for each coupe separately or for all the coupes unmarked in the different ranges. The purchaser has to offer only rates for the different kinds of timber. These rates will be applicable to the timber to be eventually prepared in the forest.

4. The period of the contract is up to the end of June 1926 and the same will commence from the date of executing the bond.

5 All sales of which the amount exceeds Rs. 500 in each case is subject to the confirmation by the Conservator of Forests and in other cases to that of the District Forest Officer.

6. Within a week from the date of intimation regarding the confirmation of the sale, the purchaser should execute a mutchalika on a stamped paper of proper value, binding himself to the conditions herein noted as any additional ones that may be considered necessary.

7. The purchasers should furnish the Range Officers concerned with a list of agents and workmen who will be employed by him in the forests in the extraction of timber.

8. The purchaser should start on the work of collection and extraction of timber immediately after executing the mutchalika.

8. (*a*) The trees of various kinds of the exploitable girth in such of the coupes as may have been sold out for the collection of timber will be marked by the Range Officer and those trees only should be felled and timber prepared therefrom. The purchasers should fell trees from one side in the order of marking and he should not fell here and there all over the forest.

9. At the end of each month, the purchaser should send up a list of timber prepared by him, so that the same may be numbered, measured and also sold-stamped after recovery of the full value thereof according to the rates offered therefor and issuing a license in the form prescribed. The timber prepared should lie over in the situation itself until the same is measured and sold-stamped by the Range Officer.

10. All the quantities licensed for should be removed from the forests within a month from the date of issue of the license but no timber should be left in the forest uncarted at the end of the contract period.

11. For purposes of preparing timber, the purchaser should take his own workmen and he should not, without the permission of the Range Officer concerned which will only be granted when there are no departmental works interfere with the workmen of the Department.

12. The purchaser should hold himself responsible for all wrongful actions in the forests either by himself or by his agents or other workmen and he should take all precautions not to halt or cook in places except those specially set apart for the purpose. The purchaser should take every precaution to see that while felling dry timber, the surrounding ones are not damaged.

13. The purchaser should, during the course of the contract period, bind himself responsible for all the departmental rules as regards the kindling of fires that may break out accidentally and to render such help as may be required by the forest subordinates in extinguishing the forest fires and the detection of forest offences, etc.

14. The purchaser or his workmen should not enter into the State Forests either before sunrise or after sunset.

15. The timber of the purchaser that may be left in the forest unremoved after the expiry of the contract period will be liable to be forfeited to Government and the purchaser or contractor will have no claim thereafter.

16. The breach of any of the aforesaid conditions will result in the immediate cancellation of the contract and the forfeiture of the deposit money as also the timber that may have been left in the forests unremoved at the discretion of the Conservator of Forests or the District Forest Officer as the case may be.
